

WE ARE **MASSHAUS**
A DESIGN AGENCY SPECIALISING
IN **EXHIBITION DESIGN** AND **MANAGEMENT**

MASSHAUS
EXHIBITIONS

ABOUT US

Hello. We are Masshaus. A small yet skillful team with no boundaries in Exhibition design & management .

Our creative office is based in the iconic Fort Dunlop building. We have over 40 years collective experience of designing contract managing and installing exhibition stands in the UK, Europe and further afield. We know our stuff and we are here to help.

“

TESTIMONIAL

“WE USE MASSHAUS FOR A NUMBER OF SHOWS IN THE UK AND EUROPE. THE SERVICE IS SECOND TO NONE. THERE IS ALWAYS SOMEBODY AVAILABLE TO ANSWER ANY QUESTIONS OR TO HELP OUT WITH ANY ISSUES WE MAY HAVE EITHER BEFORE OR AT THE SHOW.

HAYDN AND THE TEAM ARE GREAT FOR TAKING OUR INITIAL IDEAS AND BRINGING THEM TO THE NEXT LEVEL. OUR PRESENCE AT THE SHOWS IS ALWAYS HEIGHTENED BY THE FLAWLESS STANDS THAT MASSHAUS PRODUCE.”

Talley ...reducing avoidable harms

Raising the bar for CE marking
powered pressure area care support surfaces

CE ... Talley's powered support surfaces are registered as **Class IIa medical devices** guaranteeing independently audited product performance and patient safety

...safe, effective, harm free care

QUATTRO® Therapy mattress systems

Consistently shown to help reduce pressure ulcer incidence

“ As a direct result of the initiatives implemented by the tissue viability team there was an **84% reduction in pressure ulcer incidence** over a 3-year period. This equated to a cost saving of **£408,000 per annum** ”

Talley ...reducing avoidable harms
VENTURI® NPWT Systems

Cost-effectively delivering exceptional clinical outcomes

“ Patients' wounds responded quickly and treatment was highly cost-effective with an **87% saving** made when compared to using conventional dressings ”

THANK YOU
